ORDER NO.

SUBJECT:

DOCKET NO. 2009-211-E - South Carolina Electric & Gas Company's - Annual Request for Revised Rates - Discuss this Matter with the Commission.

COMMISSION ACTION:

Move that we approve South Carolina Electric & Gas Company's request for revised rates as filed. In making this motion, I would note that the Office of Regulatory Staff has filed a document recommending that we take this action. Under the Base Load Review Act, this Commission must give substantial weight to any agreement between the Company and the Office of Regulatory Staff on the revised rates to be implemented. Further, Madam Chairman, I am mindful of the other comments on the revised rates made by other parties to the case. No party disputed the findings of the ORS, even though some parties expressed opposition to the proposed rate increase. I would point out that South Carolina Code Annotated Section 58-33-285 provides a procedure by which an aggrieved party may petition the Commission for review of the revised rates order that will be issued subsequent to this motion.
